

# The Gospel for Children

**Who:** Jesus is the Son of God who came from Heaven to earth to be the human savior promised by God the Father. He is known as the Messiah or Christ.

**What, Where, When:** Jesus took our punishment for our mistakes when he died on the cross and then came back to life.

**Why:** We are supposed to be pure like God and to do what God wants, but every one of us sometimes does bad things and sometimes fails to do the good things God wants us to do. These mistakes separate us from God. We need what Jesus offers, so we can be saved from this problem, have a relationship with God in this life, and then be forever with God after we die.

**How:** All we have to do is believe in God's promise that Jesus will save us. We do this by admitting why we need this gift and believing who Jesus is and what he did for us.
